foucht with the skill and stubborn the which characterise them in this kind of warfare. "They stick like glue to these dugouts," said one livities soldier, "because they know that once they are pushed back we do not give them time to dig any

THAT IS LEFT OF THIEPVAL. A blackish heap of dirt on the creet of a ridge to all that remains of Thiepval. On the top of that heap there still rise a few black sticks, tree trunks elivered and hewn by shell fire which have escaped teing downed by a direct bit.

On July 1, the first day of the great oftensive, the British tried to take Theorems and July 1.

great offensive, the British tried to take Thiepval and falled. On this height to the north the whole Anglo-French movement pivots to the bank of the Somme. The British, in fierce of the Somme. The British, in fierce little attacks now and then, have whittled and sapped their way toward that precious high ground, the capture of which extends the German front of defense and endangers other German positions.

Hand-to-hand, bomb-to-bomb, with every trick of the modern trade of war. Germans and British have fought over these seamed slopes as

BRITISH HAVE PUSHED FOR-WARD FOR SIX MILES. Since the offensive began the Brit sh have taken nineteen villages, and at some points their gains are now six

s in depth. Elation over to-day's and yester day's work is greatest at the casu-alty clearing stations, where the red cost of victory is best measured. All surgeons report that the casualties have ben surprisingly light.

The weakening German resistance, which seems obvious to any spectator, is variously interpreted by the allied officers. Some believe that the Germans are merely making a rearguard defense of the lower ground, while their main forces fall back to another prepared line of trenches stretching from Bapaume; others insist that the anceasing hammer blows of the Brit-sh and French are resulting in a deeided softening in the morale in the moral in th

The soldiers in the ranks do not seem to be bothered with such speculations. "Give us more weather like this and let us push on," is the prayer alike of the English Tommy
